Program Description

The Master of Arts in Teaching (MAT) in World Language Education is a 39 credit program designed specifically for college graduates holding an appropriate liberal arts degree in French or Spanish who have not had a formal background in education and who wish to prepare for a teaching career in adolescence education grades 7-12.

Upon successful completion of the program, candidates will be recommended to the New York State Education Department for Initial/Professional Certification.

Admission Requirements

- A 3.0 or better GPA in all undergraduate course work and in an appropriate undergraduate major.
 - The undergraduate major (French or Spanish) should be comparable in breadth, depth, and rigor to the New Paltz undergraduate major in the same field. including course work that includes a broad and rigorous general education component
- Write an admissions essay responding to the following prompt:
 - Reflect on a time when your idea or belief was questioned or challenged. Or, conversely, reflect on a time when your idea or belief was validated. What happened? In what way(s) could this time be considered a learning experience?

As you reflect, please include at least one reference to the [School of Education's Conceptual Framework](#) and discuss how it speaks to your experience.

3. An [Oral Proficiency Interview \(OPI\)](#) is required of applicants so that the faculty may determine applicants' proficiency in French or Spanish.

4. Three academic or professional recommendations are required. At least two of your recommendations should be from professors with whom you have taken courses.

5. Applicants who graduated from college more than 5 years ago should make every effort to obtain such references and/or equivalent professional references (e.g. job supervisor). We will not accept references from friends or family members

Program Learning Outcomes

Candidates who successfully complete all required components of the World Language Education program at SUNY New Paltz will:

- **Content Knowledge:** Enhance content area mastery by completing 6-9 hours of graduate-level coursework in the target language.
- **Planning:** Be able to plan lessons in the target language that are standards-based, clear and organized, rely upon a variety of appropriate instructional strategies and appropriate technologies, and differentiate instruction, providing opportunities to promote appreciation of diversity, tolerance, and inclusion in safe, democratic, and equitable learning environments.
- **Assessment and P-12 Learning:** Be able to choose, design, and implement authentic and appropriate formative and summative assessments to evaluate student learning, consider assessment data when making instructional decisions, and identify effective or problematic teaching moments as they are occurring in order to facilitate student growth in specified content, cognitive skills, and/or social skills.
- **Pedagogical Practice:** Demonstrate the ability to maximize student learning by incorporating content and pedagogical content knowledge, appropriate and effective technology, and a variety of developmentally and contextually appropriate evidence-based instructional strategies to make learning meaningful for students while teaching.
- **Dispositions:** Exhibit the knowledge, skills, and dispositions necessary to practice an ethically informed and self-reflective philosophy, participate effectively in institutional change, and develop respectful relationships with students, families, communities and colleagues.
- **Critical Thinking and Reasoning:** Clearly articulate an issue or problem; identify, analyze, and evaluate ideas, data, and arguments as they engage in planning, assessing, and teaching; and acknowledge limitations such as perspective and bias as they develop well-reasoned arguments to form judgements and/or draw conclusions that support pedagogical decisions.
- **Information Literacy:** Locate appropriate resources effectively using appropriate tools; evaluate information with an awareness of authority, validity, and bias; and demonstrate an understanding of the ethical dimensions of information use, creation, and dissemination as they relate to the field of education.
