**MAJOR IN ASIAN STUDIES**

When declaring the major, students submit a brief personal statement of intent.

When applying to graduate, students submit a short exit essay reflecting upon their intellectual development, along with one or more examples of their best written work. Up to 16 transferred credits from study abroad may be applied to the major.

Majors or minors in Asian Studies must receive no less than a C- in any course that is used to satisfy the program requirements.

Total Credits 37

1. Each major is required to complete at least two years of language study in either Chinese or Japanese. Students with a high degree of language proficiency in these or other Asian languages may take 16 credits in other Asian Studies courses.

2. Among these 21 credits, students are required to select 3 credits in an area of Asia beyond China or Japan, and ASN200 or select 3 credits in Asian Studies Perspectives courses, which include ARH344, HIS216, JPN320, POL365. A current list of SOC and HUM/ART courses is available [asian_studies_course_grid_rev_12-17-14.pdf](http://catalog.newpaltz.edu/undergraduate/catalog/ias/asiastudies/asian_studies_course_grid_rev_12-17-14.pdf).

This **eight-semester plan** (see important details [here](http://catalog.newpaltz.edu/undergraduate/additional-information-about-8-semester-plan)) is intended to guide a first-year student through a four-year undergraduate career, with completion of an academic major and all college-wide degree requirements. The plan is designed as an **advising tool** – a starting point for careful discussions between a student and his/her academic adviser. In consultation, the student and adviser will adjust the plan to accommodate the student’s prerequisite needs, transferred credits, and other such variables.

Students are responsible for reviewing their Progress Reports ([here](https://www3.newpaltz.edu/progressreports)) each semester to track their own progress toward degree requirements.
