The School of Education offers students holding a baccalaureate degree an opportunity to earn a Master of Science in Teaching degree in Childhood Education (1-6) and Early Childhood Education (B-2) leading to NYS initial/professional certification. The typical candidate for the MST will hold a baccalaureate degree in one of the liberal arts or sciences (p. 1) from an accredited college and will have a background in history, a foreign language, mathematics, English, and science.

The program includes instruction in educational studies, developmentally appropriate practices, content pedagogy, research, and one semester of full-time student teaching. It can be completed in four semesters. Professional certification requires three years of successful teaching experience at the B-2/1-6 grade level.

Acceptable Liberal Arts or Sciences Majors

Acceptable majors or equivalent credits must provide the student with “a knowledge base for teaching to the State learning standards for students in the following areas of the childhood education curriculum: the arts; career development and occupational studies; English language arts; health, physical education, family and consumer sciences; languages other than English; mathematics, science and technology; and social studies.” Additional guidance regarding the social studies content core provides that “[a]cceptable studies include coursework in economics, government, United States history, world history, geography, sociology, anthropology, and political science.” Further guidance is found in the NYSED Program requirements for students grades prekindergarten through four and in the General and Program Specific Requirements for Childhood Education Teacher Certification.

Current acceptable Liberal Arts or Science majors at SUNY New Paltz that meet the above definition typically include the following, provided the students also meet all other admission requirements.

- Anthropology
- Art History
- Asian Studies
- Biology
- Black Studies
- Communication
- Dance
- Economics
- English
- Geography
- Geology (Earth Science)
- History
- Languages other than English (including but not limited to: French, German, Italian, and Spanish)
- Latin American & Caribbean Studies
- Mathematics
- Music
- Political Science
- Psychology
- Sociology
- Theater
- Visual Arts
- Women & Gender Studies

Admission Requirements

- Candidates for admission to the program need to:
  - Hold a baccalaureate degree in an approved liberal arts or science area (p. 1) from a regionally accredited institution;
  - Have earned an undergraduate grade point average of 3.0 or higher;
  - Have completed:
    - six college credits of history including American History
    - six college credits or the equivalent in a foreign language
    - six credits of mathematics at the College Algebra level with a grade of “B-” or better
    - six credits of English Composition with a grade of “B-” or better
    - one laboratory science course, or two 3 credit science courses
  - Provide one official transcript of all college/university course work;
  - Submit two appropriate letters of recommendation on professional letterhead, no older than one year, from individuals who can attest to the candidate’s ability to do graduate work and/or to work with children;
  - Earn a satisfactory score on the Miller Analogies Test.

Application Deadlines

- Summer Admission - Applications must be complete by April 1
- Fall Admission - Applications must be complete by June 30
