Program Description

This 36-credit non-certification TESOL program leads to an MSEd in Second Language Education. It is designed for individuals interested in developing their knowledge and skills in teaching second language acquisition in a variety of professional spaces outside the NYS P-12 school district like teaching abroad or working in higher education (e.g. community college or adult programs/adult literacy).

Since this program does not lead to NYS P-12 ESOL certification, students will participate in field experiences in spaces outside of P-12 schools, such as community-based organizations, or in appropriate settings in P-12 schools.
