You may include external links to videos as part of your portfolio. Each work sample must be labeled with the title of work, medium, size, and date. Images can be labeled and ordered as they are uploaded. For good image quality and fast upload, we recommend jpeg images no larger than 1280 x 1280 pixels @ 72 ppi.
  - Each image should document a finished work, or present a detail or alternate view of a finished work. Please do not submit composite images that include explanatory text, preparatory drawings and comparisons with other pieces. Our online portfolio includes a label section and we encourage you to provide more details and context about your work there and in your artist statement.

Priority is granted to applications received by January 15. Applications will still be considered after this date as long as studio spaces remain available. We encourage potential applicants to check with the faculty to verify availability. In order to maintain a cohesive community we prefer admissions to take place for the Fall semester. We strive for a dynamic and highly qualified cohort and recognize that students often come from diverse backgrounds; exceptions to application requirements, deadlines and matriculation dates will be reviewed on a case by case scenario.
