Program Requirements

Complete the prescribed course work and other requirements within five years after matriculation. Maintain a cumulative grade point average of 3.0 or better, with no more than two grades below B-.

Advisement

You will be informed of your academic advisor and his/her office hours when you are accepted into the Music Therapy program. You should make an appointment immediately with your advisor to develop a comprehensive plan of study.

The comprehensive plan of study developed by you and your academic advisor officially outlines your degree requirements and eligibility for licensure as a creative arts therapist. Any changes in this plan of study will require prior approval from your academic advisor. Your academic advisor is available to assist you throughout your study and will serve as your guide during the program. It is important to maintain continuous communication with your academic advisor in order to facilitate your progress in the program.
Transfer Credit
With the approval of your academic advisor and the Assistant Vice President of the Graduate & Extended Learning Office, students can transfer up to 9 graduate credits. However, credits cannot be transferred after the Plan of Study is approved.

Please note: Courses taken prior to acceptance into the Music Therapy program may not be fully credited on your plan of study, even if taken at SUNY New Paltz.

Registering for Courses
Be sure to pre-register for your courses as outlined in the Plan of Study. You must meet with your advisor to discuss course work each semester. Pre-registration for the spring semester occurs in November and pre-registration for the summer and fall semesters occurs in April.

Change of Name and/or Address
Please notify the Music Department Office and the Records and Registration Office immediately if your name changes and/or if your address, telephone and/or email address changes.

Sample Program
The Music Therapy program consists of 48 credit hours for students with baccalaureate degrees in Music Therapy or the MT-BC. Students with other degrees in music must complete 15 credits of undergraduate work in Music Therapy and meet competencies in sight reading, voice, and piano and guitar accompaniment.

Course Work
Course work in music therapy is designed to offer sequential learning experiences that will develop clinical competencies for work as a Licensed Creative Arts Therapist. You should take these courses in the sequence suggested by your academic advisor.
