Professional Licensure Program in Creative Arts Therapy

The Master of Science degree in Music Therapy comprises 48-credits and provides students with a baccalaureate degree in music the opportunity to study music therapy at an advanced level. In this program, students acquire musical, clinical, and research skills essential for professional practice. The program is approved by the American Music Therapy Association (AMTA), the New York State Department of Education, and accredited by the National Association of Schools of Music.

Students who enter the program with an undergraduate degree in music therapy, complete the required 48 credit curriculum and a minimum of 500 hours advanced internship, 30-hour advanced practicum, students are eligible to apply for licensure as a Creative Arts Therapist in the State of New York. Students who do not enter the program with a bachelor's degree will be required to complete extra coursework, 180 hours of supervised fieldwork, and an additional 520 hours of internship.

Graduate Program in Music

- [MS in Music Therapy](#)

MUS521. Applied Music: Piano. 3 Credits.

Individual weekly lessons in piano. Lessons adapted to the needs of the student. A total of 15 hours of private instruction per semester will be given. Offered every semester.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May be repeated for credit

MUS522. Applied Music: Voice. 3 Credits.

Individual weekly lessons in voice. Lessons adapted to the needs of the student. A total of 15 hours of private instruction per student will be given. Offered every semester.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May be repeated for credit

MUS523. Applied Music: Misc. 3 Credits.

Individual weekly lessons in a classical or jazz instrument. Lessons adapted to the needs of the student. A total of 15 hours of private instruction per semester will be given. Offered every semester.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May be repeated for credit

MUS544. Medical Music Therapy Assessment and Treatment. 3 Credits.

Focuses on the needs of client in acute and rehabilitative medical settings, including various approaches and methods of music therapy. Students will develop skills in assessment, treatment, and evaluation for medical clientele with a variety of diagnoses and functional levels. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- (MUS 240 Minimum Grade of B- and (MUS 340 Minimum Grade of B-

May not be repeated for credit

MUS545. Music Therapy in Special Education. 3 Credits.

Provides an overview of issues and practices in special education service delivery for music therapists. Course content includes: national and state educational policy directives, learning standards-based curricular development and clinical techniques for working in diverse settings with students with special needs in terms of assessment and treatment strategies.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- (MUS 240 Minimum Grade of B- and (MUS 340 Minimum Grade of B-

May not be repeated for credit

MUS547. Advanced Guitar for Therapists and Educators. 3 Credits.

This course will provide students with advanced guitar skills such as movable chords, jazz chords, lead guitar parts, and various accompaniment patterns unique to given styles and artists.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS549. Creative Arts Therapies with Autism Spectrum Disorder. 3 Credits.

Covers the theory and practice of the New York State licensed creative arts therapies as specifically applied to clients with ASD. Students will review current research regarding each of the therapies and their use for students/clients with ASD.

Restrictions:

- Must have the following level: Graduate

May not be repeated for credit

MUS553. Music Therapy Ethics. 2 Credits.

A study of applied professional ethics with attention to music therapy clinical practice, private practice, teaching, supervision, and research. Emphasis is placed on the process of ethical thinking and examining ethical issues. Minimum grade of B required.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May be repeated for credit

MUS555. Music Therapy in Mental Health and Wellness. 3 Credits.

Methods and approaches for assessing, treating and evaluating individuals who have mental health issues, including PTSD. Students will develop skills in using music for wellness in individual and group settings. Minimum grade of B required.

Restrictions:

- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS593. Music Selected Topic. 12 Credits.

Selected topics courses are regularly scheduled courses that focus on a particular topic of interest. Descriptions are printed in the Schedule of Classes each semester. Selected topics courses may be used as elective credit and may be repeated for credit, provided that the topic of the course changes.

Restrictions:

- Must have the following level: Graduate

May be repeated for credit

MUS594. Fieldwork in Music. 1-12 Credits.**Restrictions:**

- Must have the following level: Graduate

May not be repeated for credit

MUS595. Indep Study Music. 1-12 Credits.**Restrictions:**

- Must have the following level: Graduate

May be repeated for credit

MUS730. Music Therapy in Pediatric Critical Care. 3 Credits.

Focuses on the use of specialized music therapy methods to address the physiological and psychological needs of children and adolescents in critical care settings. Assessment, treatment planning and implementation will be reviewed.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS742. Music Therapy Research. 3 Credits.

Students examine major research paradigms including objectivist, interpretivist, and other evolving research methods. Minimum grade required B-.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS746. Music Therapy Internship II. 3 Credits.

This second semester course in the music therapy internship sequence places students in clinical settings such as hospitals, schools, and rehabilitation programs providing opportunities that expand the range of experiences resulting from working with a variety of populations and professionals who provide services to them. In addition to clinical work at their respective sites, students participate in a bi-weekly internship seminar held by their supervising academic instructors in which students engage in discussion about music therapy and clinical matters as well as present their clinical work and receive feedback from peers and supervising instructors.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS 745 Minimum Grade of B-

May not be repeated for credit

MUS749. Thesis. 1-2 Credits.

Students complete project developed on MUS747 Thesis Topic Proposal. Taken for a minimum of 2 to a maximum of 3 semesters. If not completed within 3 semesters, must repeat MUS742 Research Methods. Minimum required grade B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS 747 Minimum Grade of B

May be repeated for credit

MUS750. Cultural Humility in Music Therapy. 2 Credits.

Issues influencing music therapy practice across various cultures, integrating therapeutic knowledge and skills, and musical skills. Students will engage in exploring their cultural identity, and its influence on their development as a therapist. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS752. Music Therapy Program Development and Evaluation. 2 Credits.

Overview of methods for identifying population and community needs for music therapy, development & methods of evaluating the effectiveness of such programs. Includes business plan development, budgeting, and proposal writing. Minimum grade B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS756. Music Therapy Groupwork. 3 Credits.

Theoretical approaches to music therapy groupwork with a focus on a group dynamics and interpersonal interactions. Advanced music and verbal facilitation techniques will be introduced. Students will facilitate demonstration music therapy groups. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS 535 Minimum Grade of B-
- MUS 550 Minimum Grade of B-
- MUS 546 Minimum Grade of B-

May not be repeated for credit

MUS775. Advanced Music Therapy Internship. 1 Credit.

Supervised internship experience in a clinical setting that focuses on developing advanced competence in music therapy assessment, treatment, and evaluation. Course includes weekly academic supervision. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MUS793. Music Selected Topic. 3-12 Credits.

Selected topics courses are regularly scheduled courses that focus on a particular topic of interest. Descriptions are printed in the Schedule of Classes each semester. Selected topics courses may be used as elective credit and may be repeated for credit, provided that the topic of the course changes.

Restrictions:

- Must have the following level: Graduate

May be repeated for credit

MUS794. Fieldwork in Music. 1-12 Credits.

May not be repeated for credit

MUS795. Indep Study Music. 1-12 Credits.**Restrictions:**

- Must have the following level: Graduate

May be repeated for credit

MUS799. Continued Registration. 6 Credits.**Restrictions:**

- Must have the following level: Graduate

May be repeated for credit

MTX250. Music Therapy Overview. 3 Credits.

An overview of music therapy's history, definition, methods, practices, clinical populations, models, and education and training requirements.

Attributes:

- Liberal Arts

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

May not be repeated for credit

MTX328. Inclusive Conducting and Arranging. 1 Credit.

Basic conducting, music arranging, and ensemble directing skills are presented. In addition, students will learn adaptive and inclusive techniques for application with a variety of individual and group music making contexts, including expressive movement.

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS 250 Minimum Grade of B- or MUS 240 Minimum Grade of B- or MTX250 Minimum Grade of B-
- MUS 353 Minimum Grade of B- or MTX353 Minimum Grade of B-
- MUS 354 Minimum Grade of B- or MTX354 Minimum Grade of B-

May not be repeated for credit

MTX341. Music Therapy Ethics & Professional Development. 2 Credits.

A study of applied professional ethics with particular attention to music therapy clinical practice, private practice, teaching, supervision and research. An emphasis is placed on the process of ethical thinking and solving dilemmas from a variety of professional scenarios. Minimum final grade required: B-

Attributes:

- Liberal Arts

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS 240 Minimum Grade of B- or MUS 250 Minimum Grade of B- or MTX250 Minimum Grade of B-

May not be repeated for credit

MTX345. Psychology of Music. 3 Credits.

Physical, psychological, physiological, socio-cultural, and health aspects of music experience across the lifespan are discussed. Basic techniques of conducting, reading, and interpreting psychological research in music are reviewed.

Attributes:

- Critical Think Reasoning Adv
- Information Literacy Advanced
- Liberal Arts
- GE4: Social Science
- GE5: Social Sciences
- GE3: SSCI

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

May not be repeated for credit

MTX353. Clinical Applications of Music I. 3 Credits.

A survey of receptive and re-creative music experiences used at the supportive level of music therapy practice. Minimum final grade required B-.

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS 240 Minimum Grade of B- or MUS 250 Minimum Grade of B- or MTX250 Minimum Grade of B-

May not be repeated for credit

MTX354. Clinical Applications of Music II. 3 Credits.

A survey of clinical songwriting and improvisation methods used at the supportive level of music therapy practice. Minimum final grade required B-.

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS 240 Minimum Grade of B- or MUS 250 Minimum Grade of B- or MTX250 Minimum Grade of B-

May not be repeated for credit

MTX462. Clinical Musicianship. 1 Credit.

Students will learn clinical techniques on instruments currently used in music therapy practice. Playing techniques for instruments and vocal traditions from a variety of cultures will be explored. Minimum final grade required B-.

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS218 Minimum Grade of B-
- MUS302 Minimum Grade of B-

May not be repeated for credit

MTX484. Music Therapy Observations. 2 Credits.

On-site observation of practicing MT-BC and introduction to use of music therapy methods in a clinical setting. Sixty (60) hours during the semester at an approved facility, plus weekly seminar on campus. On-site evaluation by music therapy faculty as needed.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Restrictions:

- Must have the following level: Undergraduate
- Must not be enrolled in the following class: Freshman

Prerequisites:

- MUS 240 Minimum Grade of B- or MUS 250 Minimum Grade of B- or MTX250 Minimum Grade of B-
- MUS 340 Minimum Grade of B- or MUS 353 Minimum Grade of B- or MTX353 Minimum Grade of B-

May not be repeated for credit

MTX500. Music Therapy Practice & Methods. 3 Credits.

An overview of music therapy's history, and definition. Music therapy methods, areas of practice, approaches, and models will be introduced. Minimum grade of B required.

Restrictions:

- Must have the following level: Graduate

Corequisites:

- MTX501

May not be repeated for credit

MTX501. Music Therapy Assessment & Treatment Plan. 3 Credits.

Overview of assessment and treatment planning methods used in music therapy practice. You will complete an assessment and develop a treatment plan for assigned client. 40 hours of clinical observation are required. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate

Corequisites:

- MTX500

May not be repeated for credit

MTX502. Music Therapy Practicum I. 2 Credits.

Students complete a minimum of 60 hours of supervised clinical experience with groups and individuals at University - affiliated sites. Bi-weekly faculty-directed seminar covers critical issues pertaining to assessment, treatment and evaluation of music therapy. Minimum grade of B required.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX503. Music Therapy Practicum II. 2 Credits.

Students complete a minimum of 60 hours of supervised clinical experience with groups and individuals at University - affiliated sites. Bi-weekly faculty-directed seminar covers critical issues pertaining to assessment, treatment and evaluation of music therapy. Minimum grade of B required.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX535. Advanced Clinical Musicianship. 3 Credits.

Focuses on development of advanced approaches for recreating and composing music for clients with diverse musical preferences and needs. Students will learn to compose music and songs using multiple musical instruments and technology. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX540. Music Therapy Foundations. 3 Credits.

Varied clinical theories in music therapy service, delivery and procedures related to these theories will be presented. Students develop musical programming, assessment, and treatment plans for clients with varied needs. minimum grade required B-.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate

May not be repeated for credit

MTX543. Music Therapy for Older Adults. 3 Credits.

A graduate level course for Music Therapists and Music Therapy majors. Clinical needs of the elderly will be explored, including the needs of the well elderly based on the research literature. Music Therapy techniques will be practiced, and students will expand their repertoire in working with clients.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- (MUS 240 Minimum Grade of B- and (MUS 340 Minimum Grade of B-

May not be repeated for credit

MTX544. Medical Music Therapy. 3 Credits.

Focuses on the needs of client in acute and rehabilitative medical settings, including various approaches and methods of music therapy. Students will develop skills in assessment, treatment, and evaluation for medical clientele with a variety of diagnoses and functional levels. Minimum grade required B.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- (MUS 240 Minimum Grade of B- and (MUS 340 Minimum Grade of B-

May not be repeated for credit

MTX546. Advanced Clinical Improvisation. 3 Credits.

Varied improvisational methods, styles and techniques will be presented. Students will expand their assessment, facilitation and evaluation skills using improvisational methods, Minimum grade required B.

Restrictions:

- Must have the following level: Graduate

May not be repeated for credit

MTX550. Advanced Receptive Methods. 3 Credits.

Advanced receptive methods including imaginal listening, projective listening, and song discussion methods will be covered in didactic and experimental formats. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX553. Contemporary Ethical Issues in Music Therapy. 2 Credits.

An examination of contemporary ethical issues in music therapy clinical practice, private practice, telehealth, and supervision.

Restrictions:

- Must have the following level: Graduate

May be repeated for credit

MTX555. Music Therapy in Mental Health. 3 Credits.

Methods and approaches for assessing, treating and evaluating individuals who have mental health issues, including PTSD. Students will develop skills in using music for wellness in individual and group settings. Minimum grade of B required.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX599. Music Therapy Comprehensive Exam Registration. 0 Credits.

Non-credit workshop for students who wish to devote the semester immediately following the completion of their coursework to prepare for the comprehensive exam.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX724. Music Therapy in Addictions Treatment. 3 Credits.

Overview of addiction and substance use including current theories and treatment models. Music therapy methods for addressing the physical, mental, emotional, and spiritual issues related to addiction and recovery will be introduced. Minimum grade B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX725. Music Therapy in Palliative Care. 3 Credits.

Students will engage in a comprehensive overview and in-depth exploration of music therapy methods in palliative care and end-of-life care. Various settings of care, clientele and diagnoses, and areas of clinical need are explored.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS544 Minimum Grade of B- or MTX544 Minimum Grade of B-

May not be repeated for credit

MTX726. Music Therapy Pedagogy and Supervision. 3 Credits.

Students will examine contemporary trends and challenges in the education, training, and supervision of music therapists.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX730. Music Therapy in Pediatric Critical Care. 3 Credits.

Focuses on the use of specialized music therapy methods to address the physiological and psychological needs of children and adolescents in critical care settings. Assessment, treatment planning and implementation will be reviewed.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX742. Music Therapy Research. 3 Credits.

Students examine major research paradigms including objectivist, interpretivist, and other evolving research methods. Minimum grade required B-.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX745. Music Therapy Internship I. 3 Credits.

Students will be placed in community settings such as local hospitals, schools, and rehabilitation programs to provide opportunities to practice advanced music therapy techniques with clients under the supervision of a Board Certified Music Therapist. Students must complete at least 125 hours of clinical practice.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS 744 Minimum Grade of B-

May not be repeated for credit

MTX746. Music Therapy Internship II. 3 Credits.

This second semester course in the music therapy internship sequence places students in clinical settings such as hospitals, schools, and rehabilitation programs providing opportunities that expand the range of experiences resulting from working with a variety of populations and professionals who provide services to them. In addition to clinical work at their respective sites, students participate in a bi-weekly internship seminar held by their supervising academic instructors in which students engage in discussion about music therapy and clinical matters as well as present their clinical work and receive feedback from peers and supervising instructors.

Attributes:

- Service Learning
- Field Study
- Clinical Placement
- Practicum - Non-Clinical
- Creative Works
- Research

Prerequisites:

- MUS 745 Minimum Grade of B- or MTX745 Minimum Grade of B-

May not be repeated for credit

MTX747. Music Therapy Thesis Topic Proposal. 1 Credit.

Students choose their thesis project and develop a topic proposal for their study. Students will review the literature, develop research questions, and explore thesis designs. Cultural and ethical considerations in research will be examined. Minimum grade B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May be repeated for credit

MTX749. Thesis. 1-2 Credits.

Students complete project developed on MUS747 Thesis Topic Proposal. Thesis can be completed in various ways as approved by thesis chair. Taken for a minimum of 2 semesters to a maximum of 3 semesters. If not completed within 3 semesters must retake MTX742. Minimum required grade B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS742 Minimum Grade of B- or MTX742 Minimum Grade of B-

May be repeated for credit

MTX750. Cultural Humility in Mus Ther. 2 Credits.

Issues influencing music therapy practice across various cultures, integrating therapeutic knowledge and skills, and musical skills. Students will engage in exploring their cultural identity, and its influence on their development as a therapist. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX752. MT Program Dev & Eval. 2 Credits.**Restrictions:**

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit

MTX754. Music Therapy Across the Lifespan. 3 Credits.

An examination of music therapy theory and research related to the social, emotional, cognitive and physical development of individuals. Challenges to normal development including congenital factors, chronic illness, and mental health related disorders will be considered.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- COU575 Minimum Grade of B-

May not be repeated for credit

MTX756. Music Therapy Group Work. 3 Credits.

A graduate level course for Music Therapists and Music Therapy majors designed to learn and practice verbal processing within the Music Therapy context. In addition, students will learn creative music therapy strategies in working with psychiatric clients and will develop a working knowledge of group dynamics.

Restrictions:

- Must be enrolled in one of the following classes: Senior, Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

Prerequisites:

- MUS 535 Minimum Grade of B-
- MUS 550 Minimum Grade of B- or MTX550 Minimum Grade of B-
- MUS 546 Minimum Grade of B- or MTX546 Minimum Grade of B-

May not be repeated for credit

MTX775. Advanced Music Therapy Internship. 1 Credit.

Supervised internship experience in a clinical setting that focuses on developing advanced competence in music therapy assessment, treatment, and evaluation. Course includes weekly academic supervision. Minimum grade required B.

Restrictions:

- Must have the following level: Graduate
- Must be enrolled in the following field(s) of study (major, minor or concentration): Music Therapy (285)

May not be repeated for credit
