

TEACHER EDUCATION PROGRAMS

Certification

The information listed below reflects the new teacher certification requirements, as of June 2017, which is subject to change based on the New York State Education Department's (NYSED) initiatives and regulations. For more information on all the following requirements, please access our Certification Assistance website at: <http://www.newpaltz.edu/schoolofed/certification.html>

Initial and Professional Certification

Candidates completing the MSED are recommended for Professional certification, and those completing MAT and the MST programs are recommended for both Initial and Professional certification, upon conferral of degrees. However, students must also apply for their certificates on their own TEACH Accounts. The Initial Certificate is valid for five years, in which time an appropriate master's degree must be earned and 3 years of teaching experience need to be accrued and documented. Candidates may apply for a three-year time extension, if the required conditions are met: <http://www.highered.nysed.gov/tcert/certificate/timeext.html>. The Professional certificate requires the completion of 100 hours of professional development called CTLEs (Continuing Teacher and Leader Education) every 5 years in order to maintain certificate validity and registration. For more information, please check: <http://www.highered.nysed.gov/tcert/resteachers/ctle.html>.

Fingerprint Processing

All candidates for teacher certification in the State of New York are required to apply for verification of their fingerprints and must be processed prior to fieldwork observations. For more information on the fingerprinting process, please check: <http://www.newpaltz.edu/schoolofed/certification.html#Fingerprints> Start by applying on your TEACH Account at: www.highered.nysed.gov/tcert/ospra/. Required Workshops

Child Abuse Identification, SAVE (School Violence Prevention), DASA (Dignity for All Students Act), and Autism (Needs of Students with Autism)

In order to **graduate**, all candidates for teacher certification in the State of New York are required to complete and document on their transcripts a two-hour training in the mandated reporting of child abuse or neglect, a two-hour training in school violence prevention, a six-hour training in the Prevention and Intervention for Harassment, Bullying, Cyberbullying, and Discrimination In Schools, and for candidates in the Students With Disabilities and Speech & Language Disabilities programs, a three-hour training in the needs of students with autism. For more information on all of these workshops, please check: <http://www.newpaltz.edu/schoolofed/certification.html#Workshops>.

Teacher Certification Examinations

Candidates must file with NYSED official qualifying scores on the New York State Teacher Certification Exams (NYSTCE). As of 2017, there are three exams required of those seeking Initial certification in the MST, MAT and TESOL programs: The Teacher Performance Assessment (edTPA), the Educating All Students Test (EAS), and the

Content Specialty Test (CST) in the appropriate certification area. For those who already have Initial Certification, only the CSTs (or SLAs for CAS programs) are required. For further test information, please check our webpage at <http://www.newpaltz.edu/schoolofed/certification.html#Testing>, or visit the NYSTCE and edTPA websites at: <http://www.nystce.nesinc.com/> and <http://www.edtpa.com/> (<http://www.edtpa.com/>).

Degree Applications

All students must apply for graduation and submit their application by the first day of the first month of the graduating semester to Records and Registration in Wooster Hall 115. You cannot be recommended by the college for Teacher Certification without a conferred degree, whether or not you have completed the necessary coursework, workshops and tests. The degree applications are available at: <http://www.newpaltz.edu/registrar/graduation.html>

Certificate Applications

Student Application Information Sheets (http://www.newpaltz.edu/schoolofed/certification_infosheet.html) with step-by-step directions and Program Codes will show you how to register, log-in, and apply for the appropriate teaching certificate at: http://www.newpaltz.edu/schoolofed/certification_infosheet.html.

Additional Certifications

Candidates pursuing additional certifications and taking courses at our campus must apply for their certificates directly through NYSED on their own TEACH Account via the Additional Classroom Teaching Certificate Pathway. As a caveat regarding any class taken for evaluation, SUNY New Paltz is not a NYSED evaluator, and in the end, only NYSED can decide whether a certain course will be accepted to meet a specific certificate requirement, and we cannot be held responsible for their decisions regarding our courses: <http://www.newpaltz.edu/schoolofed/certification.html#Adding%20Certifications>

SUNY New Paltz instituted a non-degree application process for students interested in taking graduate level courses in non-matriculated status as of Fall 2016. The following is a link to our Non-degree student information page: <http://www.newpaltz.edu/graduate/students/non-degree-students/>.
