The Psychology Graduate Program offers a 39-credit Master of Science degree in Psychological Science. This research-based program exposes students to research in a variety of fields including social, cognitive, developmental and applied psychology. In addition, students learn advanced statistical and experimental and non-experimental methodological skills. The degree may serve as preparation for entry into a doctoral program or as additional training for those who plan to enter or continue work in applied areas of psychology with an emphasis on research.

## Admission Requirements

The Psychology Graduate Programs' Admissions Committee reviews applications. Please prepare the following items for inclusion in the online application process:

- Baccalaureate degree from an accredited institution with a minimum grade point average of 3.0 for all undergraduate work or strong evidence of recent academic achievement.
- Successful completion of undergraduate General Psychology, Statistics, and Research Methods in Psychology.
- One official copy of transcripts of all undergraduate and graduate work.
- Contact information for three individuals who have agreed to provide letters of recommendation.
- Statement of professional goals.
- International students must meet these additional requirements for admission: <http://www.newpaltz.edu/graduate/students/international/>
- Please send OFFICIAL transcripts to:
