The Department of Digital Media & Journalism represents disciplines that combine methods from both the humanities and social sciences in the study of how people share and represent ideas through the mass media. Building upon a solid liberal-arts foundation, students in our programs develop theoretical and practical knowledge through challenging and engaging coursework and hands-on experiences that will support their intellectual and professional growth and prepare them for careers and graduate study.

The Department offers three academic majors, each leading to either the bachelor of arts (B.A.) or bachelor of science (B.S.) degree: Digital Media Production, Digital Media Programming & Management, and Journalism. We also offer a minor in Journalism and two interdisciplinary minors: Film & Video Studies (in conjunction with the Department of Art History) and Audio Engineering (in conjunction with the Departments of Theatre Arts and Music).

Students wishing to declare a major in any program of the Department of Digital Media & Journalism must have a 2.0 GPA. Journalism majors are required to complete ENG170 Writing and Rhetoric or its equivalent before declaring. *Students must earn a grade of C- or better in courses that count toward any major or minor in the Department of Digital Media & Journalism.*
