Phone: (845) 257-2975

Location: Southside House

Web address: www.newpaltz.edu/wmnstudies

Women's, Gender & Sexuality Studies draws on the expertise of its faculty as well as those based in other departments, enabling students to develop a feminist perspective on traditional disciplines and to cross disciplinary boundaries to explore women's experiences in the U.S. and globally. Students examine the ways that gender intersects with other systems of domination, think critically about ways to challenge violence and injustice, and work together to envision a more just and humane world.

In our practicum course, students gain experience working with organizations that serve or mobilize women. In our senior seminar, they pursue independent research in topics of their own choosing. An interdisciplinary course, *Women: Images and Realities*, provides the introduction to the program.

The Women's, Gender & Sexuality Studies program at SUNY New Paltz is committed to improving the position of women on campus and in the community. It sponsors lectures, panels, and films, and every two years, it hosts a conference. A colloquium series provides a forum for students and faculty to discuss their research in women's, gender & sexuality studies.
