SPECIAL EDUCATION (SPE)

SPE106. Multiple Voices: Diversity in US Education. 3 Credits.
An introduction to the sociocultural factors that impact teaching and learning in the United States. Through critical reflection, readings, and discussions, the educational experiences of individuals from historically marginalized populations will be explored.

SPE142. Introduction to Disability Studies. 3 Credits.
Disability Studies will be introduced through social, cultural, political and educational contexts. Disability will be explored as an identity that intersects with race, class, gender, ethnicity, and sexual orientation as they pertain to social justice.
Restrictions:
- Must have the following level: Undergraduate

SPE193. Special Ed Selected Topic. 3-12 Credits.

SPE310. Psychology of Learners with Disabilities. 3 Credits.
An understanding of learners with disabilities and learners who are gifted and talented with emphasis on the educational needs of learners with special needs.
Restrictions:
- Must have the following level: Undergraduate

SPE350. Creating Inclusive Elementary School Classrooms. 3 Credits.
This course examines the foundations and fundamentals of inclusive educational programs and the challenges of their implementation in elementary schools. It also provides strategies for creating inclusive classrooms that support learning for all students.
Restrictions:
- Must have the following level: Undergraduate
