<sup>1</sup> Six semesters required or, for transfer students, every semester in residence, to a maximum of six.

<sup>2</sup> 4 semesters at 2 credits each. It is recommended that students taking Classical Voice as their major instrument take eight semesters of MUS228/MUS428 Applied Voice Studio.

<sup>3</sup> Other than MUS100, MUS103, MUS106, MUS109 or MUS201.

This **eight-semester plan** (see important details (<http://catalog.newpaltz.edu/undergraduate/additional-information-about-8-semester-plans>)) is intended to guide a first-year student through a four-year undergraduate career, with completion of an academic major and all college-wide degree requirements. The plan is designed as an **advising tool** – a starting point for careful discussions between a student and his/her academic adviser. In consultation, the student and adviser will adjust the plan to accommodate the student's prerequisite needs, transferred credits, and other such variables.

Students are responsible for reviewing their Progress Reports (<https://www3.newpaltz.edu/progressreports>) each semester to track their own progress toward degree requirements.
