

UNDERGRADUATE

Welcome to the online version of the SUNY New Paltz undergraduate catalog. The catalog contains information about the College, its mission (<http://www.newpaltz.edu/about/mission.html>) and history, academic policies, undergraduate programs, and baccalaureate degree requirements. Here you will find links to majors, minors and course descriptions¹. The menu bar to the right will help you navigate catalog contents.

Since actual course offerings vary from semester to semester, you should consult the schedule of classes (<http://www.newpaltz.edu/classes>) to learn whether a particular course is offered in a given semester.

For questions about the Undergraduate Catalog, please contact Valerie McAllister in the Office of the Provost/Vice President for Academic Affairs (mcallisv@newpaltz.edu or (845) 257-3379).
